RE: "OREGON PUBLIC RECORDS LAW REQUEST: SEARCH WARRANT DATA (OREGON STATE POLICE)"

This is in response to the above referenced request, which Oregon State Police received on November 1, 2019. The Department has identified no records responsive to your request and the requested data is not readily accessible. Oregon Public Records Law does not require public bodies to create records in response to a public records request. We are therefore denying your request and consider it closed.

You may ask for a review of your request as it pertains to the exemptions used, pursuant to ORS 192.401, 192.411, 192.415, 192.418, 192.422, 192.427 and 192.431.

Sincerely,
